2027 Blue Cross and Blue Shield Service Benefit Plan
FEP Blue Standard and FEP Blue Basic
Section 5(f). Prescription Drug Benefits

Here is how to obtain your prescription drugs and supplies:

- Make sure you have your Plan ID card when you are ready to purchase your prescription.
- Go to any Preferred retail pharmacy, or
- Visit the website of your retail pharmacy to request your prescriptions online and delivery, if available.
- For a listing of Preferred retail pharmacies, call the Retail Pharmacy Program at 800-624-5060, TTY: 711, or visit our website, www.fepblue.org.

Note: Retail pharmacies that are Preferred for prescription drugs are not necessarily Preferred for durable medical equipment (DME) and medical supplies. To receive Preferred benefits for DME and covered medical supplies, you must use a Preferred DME or medical supply provider. See Section 5(a) for the benefit levels that apply to DME and medical supplies.

Note: For prescription drugs billed by a skilled nursing facility, nursing home, or extended care facility, we provide benefits as shown below for drugs obtained from a Preferred retail pharmacy, as long as the pharmacy supplying the prescription drugs to the facility is a Preferred pharmacy. See later in this section for benefit information about prescription drugs supplied by Non-preferred retail pharmacies.
