2027 Blue Cross and Blue Shield Service Benefit Plan
FEP Blue Standard and FEP Blue Basic
Section 5(f)(a). FEP Medicare Prescription Drug Program

- **Where you can obtain prescription drugs.**

Under Standard Option and Basic Option, you may fill prescriptions at a pharmacy that participates in our nationwide network. The network includes retail pharmacies, mail service pharmacies and specialty pharmacies. You may also receive your medication from a long-term care pharmacy when your care is handled in or by a long-term care facility. You will receive a copy of the pharmacy directory, which lists all pharmacies participating in our network, in your enrollment package. You may also go online to our webpage www.fepblue.org/medicarerx/resources for a complete listing.

Note: Due to manufacturer restrictions, a small number of specialty drugs used to treat rare or uncommon conditions may be available only through select pharmacies in our network.
