2027 Blue Cross and Blue Shield Service Benefit Plan
FEP Blue Standard and FEP Blue Basic
Section 5(f). Prescription Drug Benefits

- **Who can write your prescription.** A physician or dentist licensed in the United States, Puerto Rico, or the U.S. Virgin Islands, or, in states that permit it, a licensed/certified provider with prescriptive authority prescribing within their scope of practice must write your medication. Your prescribers must have Medicare-approved prescriptive authority.
