Benefits Description

Covered Medications and Supplies
Mail Service Prescription Drug Program

For Standard Option, if your doctor orders more than a 21-day supply of covered drugs or supplies, up to a 90-day supply, you can use this service for your prescriptions and refills.

Please refer to Section 7 for instructions on how to use the Mail Service Prescription Drug Program.

Note: You must obtain prior approval for certain drugs before Mail Service will fill your prescription. See Section 3.

Note: Not all drugs are available through the Mail Service Prescription Drug Program. There are no specialty drugs available through the Mail Service Program.

Note: Please keep reading for information about the Specialty Drug Pharmacy Program.

Note: We waive your cost-share for available forms of generic contraceptives and for brand-name contraceptives that have no generic equivalent or generic alternative, as listed in each therapeutic class under the HRSA guidelines, when purchased from a Preferred retail pharmacy. You may seek an exception for any contraceptive that is not available with zero-member cost-share. Your provider will need to complete the Contraceptive Exception Form under Pharmacy Forms found on our website at www.fepblue.org/claim-forms. If you have questions about the exception process, call 800-624-5060. Once we have been contacted with exception request information sufficient for us to make a determination, you will receive a response within 24 hours or the next business day. Contraceptive exception requests are not subject to Section 8, *The Disputed Claims Process*. If you have difficulty accessing contraceptive coverage or other reproductive healthcare, you can contact contraception@opm.gov.

Reimbursement for covered over-the-counter contraceptives can be submitted in accordance with Section 7.

Note: For additional Family Planning benefits, see Section 5(a).
