2027 Blue Cross and Blue Shield Service Benefit Plan
FEP Blue Standard and FEP Blue Basic
Section 4. Your Costs for Covered Services

Waivers

In some instances, a Preferred, Participating, or Member provider may ask you to sign a “waiver” prior to receiving care. This waiver may state that you accept responsibility for the total charge for any care that is not covered by your health plan. If you sign such a waiver, whether or not you are responsible for the total charge depends on the contracts that the Local Plan has with its providers. If you are asked to sign this type of waiver, please be aware that, if benefits are denied for the services, you could be legally liable for the related expenses. If you would like more information about waivers, please contact us at the customer service phone number on the back of your ID card.
